

# Daily Safety Meeting – Clear Mind. Clear Worksite.

**Today's Topic:** Why a clear mind and clean work area matter

**The Risk:** Distraction, clutter, and rushing lead to accidents, injuries, and costly mistakes.

**What Goes Wrong:** Trip hazards, poor stacking, miscommunication, missed dangers, and shortcuts.

**Real Issue:** This isn't about rules—it's about personal standard, self-respect, and control.

**Why It Matters:** Clean work = clear thinking. Quality work builds confidence and reputation.

**How to Stay Safe:** Clear your area, slow down, stay focused, ask questions, take pride in your work.

**Final Thought:** A clear mind and clean worksite prove who you are when nobody's watching.
